

1/3 of the way around the planet. 4 university colleagues. A decommissioned ambulance.

What do all of these things have in common?

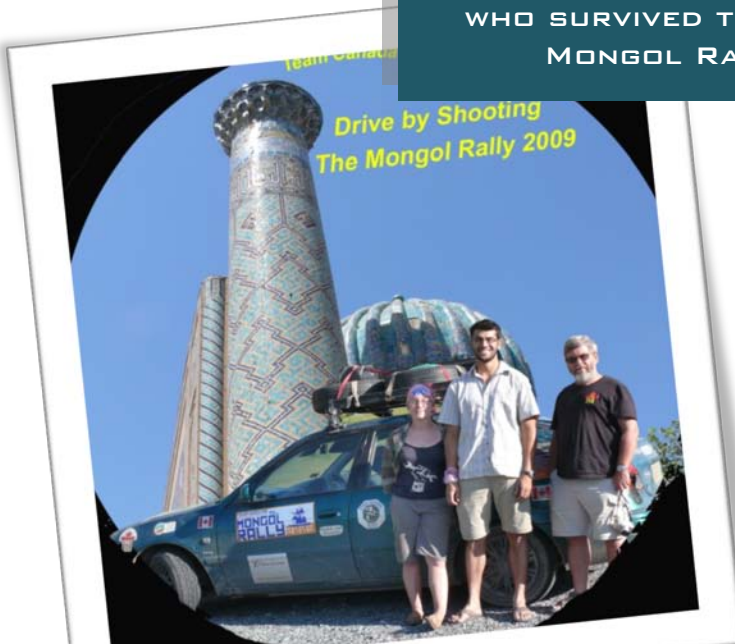

## THE 2011 MONGOL CHARITY RALLY!

**PLEASE JOIN US FOR OUR KICKOFF FUNDRAISING EVENT!**

### DRIVE BY SHOOTING

A FILM BY A CALGARY TEAM WHO SURVIVED THE 2009 MONGOL RALLY!

### A BRIEF DESCRIPTION:

#### The Rally:

We will drive from London England to Ulaan Bataar Mongolia over 4 weeks, along a totally un-supported route. We are one of 400 teams entered for 2011, and the event will raise over £500,000 and 400 vehicles for charity.

#### The Charities:

The Christina Noble Children's Fund helps children in Mongolia break out of the poverty cycle, and the vehicles collected during the rally are either auctioned to locals at an affordable price, or emergency services vehicles are repaired and put back into service in the community.

#### The Vehicle:

We have chosen to take an ambulance because we feel it will be of greater value to the Mongolian community. Emergency services vehicles are repaired and put back into service upon arrival, and cars are auctioned to locals at an affordable price to further fund development projects.
